The Irombound United Neighborhood are primarily made up of Senior Citizens from 2 Public Housing 'Projects' in the Irombound section of Newark- F D R homes and Hyatt Court.

The group formed 2 years ago to deal with issues that concern their neighborhood.

Such issues are:

1. Getting a nutrition site for their are.

2. More Police protection, more jobs and more recreation.

Presently, the priority issue is dealing with Housing Authority demanding 24 hour Security Guards, better maintenance service and more Social Service Program for residents in Public Housing Projects

It is time for all housing Projects who share the same concerns and needs to come together and work as one to make Housing Authority live up to their obligations to their tenants.
